Race Format

The first 50-lap race will be for the Lucas Oil Great American Stocks and the second 50-lap feature will be for the Lawrence Towing CRA Street Stocks. These are point races for both divisions with regular season rules and payoffs in place. See CRA radio exception below. The CRA race will be officiated by CRA officials and the Lucas Oil race by Salem Speedway officials.

GAS/CRA Challenge 50

The top 12 finishers from the Lucas Oil 50 and the top 12 from the CRA 50 qualify for the final GAS/CRA Challenge 50. It was agreed upon last year that Salem Speedway officials would handle race control for the 2017 Challenge 50 and CRA officials would do so in 2018.

Tires: Tires will be marked before qualifications and those four tires must be on the car for qualifications and both 50-lap races. The replacement of a flat or damaged tire (with a used Hoosier Comanche) must be approved by race officials.

Radios: Radio communication will be allowed for both the CRA and Great American Stocks for the entire racing program (all three 50-lap races).

Purse: Regular season payout will be in place for the CRA Street Stock 50 and the Great American Stock 50. Additional payout for the GAS/CRA Challenge 50 is as follows: 1) \$1000, 2) 500, 3) 400, 4) 300, 5) 250, 6) 200, 7) 175, 8) 150, 9) 125, 10-15) 100, 16-24) 75.
